

# 1<sup>st</sup> Annual Tennis Open

Arlington, Virginia  
September 17, 2016

Our first S.A.M.A. tennis open 2016 surpassed our expectations. We had about 60 participants, players and non-players. The tournament itself was marked by friendship and a tremendous sense of community. Our adult finalists were Stefan Rodić and Marko Živković. After a terrific match, Stefan won in a third set tie-breaker. Later, in the evening, we had the chance to hear Zoran Mladenović's presentation on S.A.M.A.'s most recent accomplishments. We are so grateful to restaurant Ambar donating the wonderful dinner. This fundraiser was a great success in every way. We collected \$4610, all of which will go toward our next project in Serbia (more after we return from Serbia in October...). THANK YOU TO ALL OF YOU FOR YOUR GENEROSITY!
