

SAMA 4th Annual Walk
Fletcher Boat House, Washington D.C.
June 5, 2016

Our Fourth Annual SAMA Fundraising Walk was a success. In spite of the weather we had a great turn out and together with the donations from those who could not come we were able to raise a record high \$12700!!!

These funds will be used to purchase a new 12-channel electrocardiogram (Schiller AT 101) and a new 60 liter autoclave (sterilizer) (Shinva MOST T60) for the Health Center in Lučani!

We are most grateful to all you who thru their support have made this important donation to the Serbian people possible. THIS MEANS A LOT TO THEM!

We hope to be able to count on your continuous support.

A big thank you to all those who donated!
